Key Achievements

Mr. Wang Haiguang mainly engages in the agency and defense of criminal cases and special legal services for major safety accidents, etc. He has rich knowledge of criminal law and high ability of criminal defense. He pays attention to the defense and cross-examination of evidence in criminal defense, is proficient in the theory of criminal evidence law and the provisions of criminal evidence rules, analyzes criminal evidence and evidence system in detail, confirms whether criminal cases can reach the degree of reliable and sufficient evidence from the analysis of evidence, and formulates the best criminal defense plan for the parties concerned.

Since engaging in criminal defense, Mr. Wang has accumulated an abundance of practice experience as a result of providing criminal defense for more than one hundred suspects and defendants suspected of various crimes. After providing services to a large number of cases, the criminal suspects or defendants have been released on bail pending trial, no arrests approved, not prosecuted, the crimes have been changed from serious crimes to misdemeanors and suspended sentences have been achieved, thus achieving good defense effects.
