Key Achievements

Ms. Chen has worked in legal affairs for ten years, served as legal affairs supervisor of medium-sized and large listed companies, and had many years of legal experience and management experience with large entities. During that period, she was mainly responsible for the establishment of the company's internal control system, the management of the protection of intellectual property rights, the establishment of the labor system, legal litigation matters, major/international procurement projects, investment (financing) projects, and other matters.

From May 2019, as a full-time lawyer, she provided legal services for a listed company, a new materials company, a cross-border e-commerce company, and a medical company. Recently, she completed series A financing and employee stock ownership plan for a new materials company and acted as the agent in several cases involving trademark infringement, unfair competition, copyright disputes, disputes over the right to life, and disputes over change in the registration of shareholders.
